

Dear Tour Participant,

Registration is now open for the Gulf Coast Singers of Florida (year and tour destination/festival) tour.

Here is the link to the secure registration portal: [\(LA link\)](#)

1. To begin the process, all participants will click on the green button "Register" and create an account with a username (email address) and private password. This creates an account in our registration system that will then allow you to register yourself and your family members (if applicable) for a specific trip.
2. If your group does not have a land only option during the registration process, please use the deviation request form (found at the end of the registration process) to request the land only tour option price (if available for your group). If you do not select land only at the time of registration, there will be a surcharge of \$175 per person to switch to land only at a later date.

- Please note there is information regarding deviations from the group's flight itinerary and travel insurance information noted in this final section. A deviation allows you to return at a later date from the same airport as the group departs from. There may be other restrictions depending on the airline. The land only option does not include airfare and allows you to purchase your own flights. The deviation request form may be used for either of these options.
- KI Concerts does not sell travel insurance, we do offer a link to purchase travel insurance through Travel Insured International's website. You may purchase travel insurance through any company you choose. Keep in mind that there are due dates for purchasing travel insurance and are noted in your confirmation.

The screenshot shows a user account dashboard with a sidebar menu on the left containing the following items, each with a green checkmark icon: Account Holder Profile, Traveler Profile, Details, Waiver, Products, Payment, and Confirmation. The main content area displays a confirmation message from KI Concerts. The message includes the KI Concerts logo, a 'Thank You for Registering for a KI Concerts Tour!' heading, and a welcome message. It provides contact information for questions and lists important notes for the user, including receipt information and air deviation details. It also offers links for purchasing an optional upgraded protection plan, with two options: 'Option A: Student Deluxe' and 'Option B: Student Deluxe with CFAR'. A note at the bottom states that cancellation coverage is available if purchased at the time of the original plan purchase and before the final payment. At the bottom of the dashboard, there are links for 'Go To Your Dashboard' and 'Go To Family Account Dashboard', and the user's status is listed as 'Spot Reserved' and role as 'Tour Participant'.
